Red Ribbon Club of Shree Venkateshwara Hi-Tech Engineering College organized World AIDS Day Awareness Programme for the first year B.E students to make them be aware of how to protect themselves and prevent the transmission of HIV. The programme started with the wonderful welcome address by the principal, Dr.P.Thangavel. Then chief guest of the day **Dr.Karthika Devi**, RBSK & Medical officer of Govt PHC, Siruvalur, was presented a charismatic Chief Guest address. In her speech, she explained about the 4 types of virus which caused AIDS and also talked about self control, dignity of life and the importance of immunity power. Then she explained how to treat the HIV patients and gave suggestion to handle those HIV patients in a good manner.

Next to her, Mr.P.Selvam, Block Health Supervisor of Siruvalur, informed about the nearby HIV-AIDS Care and Support Centers and the advanced treatment methods of that centre to the students. He encouraged the students to create awareness among their native people and asked them to admit if anybody suffered by these kinds of diseases. Then Mr.S.Sridhar, ICTC Councilor of Govt PHC, Siruvalur read the World AIDS Day Pledge; students also repeat and take an oath against AIDS. Finally Mr,B.Vigneshwaran, RRC Coordinator of SVHEC delivered a vote of thanks.

Through this programme students got awareness about the disease, so that those who suffer from it can find acceptance in society. They understand that, World AIDS day is significant because it serves as a reminder to the public and the government that, HIV is still a serious problem that requires urgent funding, more awareness and the eradication of prejudice. Students were thoroughly enjoyed the programme from the beginning to the end.
