REPORT OF THE EVENT

Date: 13.09.2024

Name of the Activity	:	Red Run Marathon
Organized By	:	District AIDS Prevention and Control Unit (DAPCU) in association with SVHEC Red Ribbon Club(RRC)
Date & Time	:	11.09.2024 & 07.00 am
Venue	:	Erode
No. of School Students Participated	:	10 Students
No. of Faculty members Participated	:	01
Chief Guest	:	Thiru.Raja Gopal Sunkara I.A.S , District Collector, Erode.

In commemoration of International Youth Day, a marathon race called 'Red Run' was held in Erode district on 11.09.2024, as part of the 'youth fest', which was organized by District AIDS Prevention and Control Unit (DAPCU) in association with various colleges' Red Ribbon Club(RRC) under the theme 'youth for HIV'. Erode District Collector **Thiru.Raja Gopal Sunkara I.A.S.** flagged off the race. In his speech to the participants, he urged them to maintain a healthy lifestyle and stay fit for both physical and mental well-being. He advised against participating in risky behaviors like alcohol, drugs, and sex, which can lead to HIV/AIDS. Additionally, he motivated them to become advocates for change in the battle against HIV/AIDS by educating their communities.

Totally 350 college students from various institutions has participated in this Marathon. Students started their race from Erode Collector office campus to Government High School, Thindal which is located 5 km far from collector office. A total of ten Red Ribbon Club members from our Shree Venkateshwara Hi-Tech Engineering College, including seven males and three females, participated in the youth fest Red Run Marathon race.

REPORT OF THE EVENT

Date: 13.09.2024

Name of the Activity	:	Awareness Competition
Organized By	:	Red Ribbon Club(RRC) of SVHEC
Date & Time	:	12.09.2024 & 10.00 am
Venue	:	SVHEC campus
No. of School Students Participated	:	100 Students
No. of Faculty members Participated	:	04
Chief Guest	:	Mr. S. Sridhar, Consultant, Integrated Counseling Center, Government Primary Health Center, Siruvalur.

As part of the International Youth Day celebrations, the Red Ribbon Club of SVHEC organized a series of awareness competitions aimed at educating students on key public health issues such as HIV/AIDS, tuberculosis (TB), blood donation, and the harmful effects of alcohol and smoking. The event took place on 14th September 2024 at the college campus and witnessed enthusiastic participation from a total of 110 students. The program featured Mr. S. Sridhar, Consultant at the Integrated Counseling Center of Siruvalur Government Primary Health Center, as the guest speaker. He provided a comprehensive overview of the AIDS and STD Treatment Centers available at government health facilities and elaborated on the free treatment and counseling services offered.

A variety of competitions were conducted to spread awareness creatively and effectively:

- **Essay Writing and Oration Competitions** – Focused on *HIV/AIDS Prevention*, students showcased their knowledge and perspectives through well-researched essays and impactful speeches
- **Drama Competition** – Centered around the theme *Blood Donation*, students delivered powerful silent performances to highlight the life-saving impact of donating blood.
- **Rangoli Competition** – Held under the theme *Drawbacks of Alcohol Consumption and Smoking*, this event allowed participants to visually express the health and social consequences of these habits..

All the students participated with great enthusiasm, contributing to the success of the event and reinforcing the importance of youth involvement in public health awareness campaigns.

REPORT OF THE EVENT

Date: 24.02.2025

Name of the Activity	:	A Seminar on Blood Safety
Organized By	:	Red Ribbon Club
Date & Time	:	21.02.2025 & 11.00 Am
Venue	:	College Auditorium
No. of School Students Participated	:	250 Students
No. of Faculty members Participated	:	10 Faculty Members
Chief Guest	:	Mr. P.Duraisamy, District Programme Manager, District AIDS Prevention and Control Unit, Collectorate Erode.

The Red Ribbon Club of SVHEC organized an awareness seminar on blood safety on February 21, 2025 (Friday) at the college auditorium. The chief guest, Mr. P. Duraisamy, District Executive Manager of the Erode District AIDS Prevention and Control Unit (DAPCU), provided an in-depth explanation to the students about the four types of sexually transmitted diseases that can result from improper blood safety and the preventive measures they can take. During his speech, he also highlighted the importance of personal hygiene, the physiological and mental health issues linked to drug use, and the impact of child marriage, supported by data from field studies.

Another guest speaker, Mr. S. Sridhar, Consultant at the Integrated Counseling Center of Siruvalur Government Primary Health Center, gave a comprehensive overview of the AIDS and STD Treatment Center at government health centers and the treatment services they offer. The event was organized by the members of the college's Red Ribbon Club, with approximately 300 heads of departments, professors, and students in attendance. The seminar was inaugurated by Prof. V. Saraladevi, Head of the Department of English, who delivered the welcome address. The event concluded with a vote of thanks from the RRC Coordinator, Mr. B. Vigneswaran.
