

## TOASTMASTERS CLUB

In this competitive world, Good communication skill is very much essential for students to succeed both academically and professionally. Toastmaster Club provides a platform for students to practice English in a relaxed and friendly environment. The club allows students to develop their oral communication and leadership skills, which in turn foster self-confidence and personal growth. It also provides students with vital training to make them equip with skills needed for their employability and helps them develop their proficiency in English.

. Toastmasters club was established in the year 2015-16.

### OBJECTIVES:

- To enhance communication skills.
- To Foster creativity and innovation
- To develop vocabulary for better communication.
- To make Employability Graduates
- To face job interviews confidently and competently
